

Ferry Beach Ecology School

8 Morris Ave. Building 1, Saco, Maine 04072 ~ 207.283-9951 ~ www.fb.es.org

Registration & Permission Form

By signing below, I give permission for my child to participate in the Ferry Beach Ecology School residential education program. I have read and understand the *Parent/Guardian Letter* that details some key FBES policies regarding equipment, communication, medication and supervision and the *Packing List*. I understand it is my responsibility to provide FBES with all relevant medical information and have read, understand, filled out and returned all pertinent FBES health forms. I understand that by agreeing to allow my child to participate in the Ferry Beach Ecology School program s/he will be eating meals in the FBES dining facilities, staying overnight in FBES dorms, spending time outside and participating in outdoor lessons. In addition to exploring onsite ecosystems, the program may include bus trips off site to explore areas such as tide pools, all of which can be physically challenging activities. I further understand that in order to participate in the FBES program, proper behavior is expected of my child and inappropriate behavior could potentially lead to my child being sent home.

* Name of Child: _____

* His/Her School: _____

* Parent/Guardian Signature: _____ * Date: _____

* Parent/Guardian Printed Name: _____ * Phone: _____

Street Address: _____

City, State, Zip: _____

Email address: _____

** denotes required field*

- I do not wish to receive information on summer camps, newsletters or other information about FBES. Please **do not** include my name on the FBES mailing list.

Photo and Video Exclusion

I understand that Ferry Beach Ecology School occasionally photographs/videos scenes of school life, including students, teachers and staff. I understand these photographs and/or videos may be used for brochures, online media, presentations and for other public relations purposes. Students' names are not used by FBES without further permission from parents/guardians.

- I **DO NOT** wish my child's likeness to be used by Ferry Beach Ecology School in any way.

*Ferry Beach Ecology School fosters stewardship for the Earth by teaching the science of ecology and practice of sustainability.
Ferry Beach Ecology School is an independent, non-profit educational corporation.*
