

AT HOME IN NATURE: *PARENTS & KIDS OUTSIDE, TOGETHER!*

Innovative Workshops for Adults Supporting Kids' Outdoor Time

presented by **Ferry Beach Ecology School**

- * Explore your role in supporting your child's experiences and trips outdoors.
- * Learn activities for structuring outside time, and participate in a scavenger hunt using Ferry Beach Ecology School's ecosystem field guide.
- * Discover easy techniques to incorporate fun into your trip outside while discovering the amazing stories nature has to tell.
- * Question and answer discussion focused on issues of structuring outside time, safety and awareness outdoors.
- * Use new literature to support your child's outdoor adventures.
- * Exposure to Ferry Beach's unique, proven teaching methodologies using narrative education techniques.
- * Collaborate with other parents and adults - make connections with others looking to head outdoors!

**For more information or to sign up for a workshop,
please contact Meg at 207.283.9951, or meg@fbes.org.**

Since 1998, Ferry Beach Ecology School has brought quality ecology education programs to more than 46,000 children & teachers throughout New England. In everything we do-- week-long residential programs at our Saco Bay campus, outreach and teacher workshops at educational facilities, publishing curriculums and field guides -- we accentuate the magic, mystery, and wonder of nature's stories so that people can better understand and care for the environment.

Ferry Beach Ecology School - 8 Morris Avenue, Building One - Saco, Maine 04072 - 207.283.9951 - www.fbes.org
